LETTERS

ADDRESS ALL MAIL TO: CRACKED LETTERS, 441 LEXINGTON AVE., SUITE 505, NEW YORK, NY 10017

Dear CRACKED,
What's up with the **CRACKED Fan Club**? How can I join? Also can you tell me where I can get the first issue of CRACKED?

Dusty Oldani
Cedar Falls, IA

Issue #1 of CRACKED is a hard to find collector's item! To help your hunting here is a reproduction of the cover on that famous first edition. As for the **FAN CLUB** that you and **MANY** others (including Brad Norman, Deerfield IL; David Miller, Riverside CA; Todd Zapoli, Sterling Hgts MI; Chris Botsford, Houston TX and Missy Hayes of Grand Rapids, MI) are clamoring for, an **ALL-NEW ALL-FUN CRACKED FAN CLUB** is now being formed! Keep tuned to this magazine for more information!

Dear CRACKED,
Why don't you guys put together a **John Severin Tribute** issue?

Roger Verrey
Victoria, Australia

That's a **VEREY** good idea Roger! And for those of you writing in about **SEV**, he's on a little vacation after working on CRACKED non-stop for a couple of hundred years! He oughtta be back by next issue.

Dear CRACKED,
There is a cute girl in my class— how can I get her to go out with me?

Embarrassed
California, MD

Dear Embarrassed...the **BEST** way to impress her is to give her a gift subscription to **CRACKED**! It works every time!

Dear CRACKED,
I just love **PRINCE**! How about putting more rock stars, like Cyndi Lauper and Boy George, in your upcoming issues?
Joy Schmitz
Kansas City, MO

And we just LOVE readers like you! Did you (and other Prince-fans Lindy Rosado of Brooklyn, NY and Ihab Khalil of Toronto, Canada) see Prince with Boy George on last issue's cover? And Cyndi's on **THIS** cover! More rock stars to come—!

Dear CRACKED,
When I tear the posters out of your magazine, I don't have a cover anymore! Could you make a special page for the posters?

Jeffrey Wood
Norwalk, CT

Sorry! Why don't you buy 2 copies? One for the poster and another to keep your **CRACKED** collection complete!

Dear CRACKED,
I would be most interested in receiving a specimen copy of your publication for purposes of decision on subscribing.

Peter Weber
Terrace BC, Canada

Yeah, **SURE** you would! You'll just have to swipe a copy like everyone else! Seriously, if you **ARE** interested in subscribing, see the next page for a **GREAT** offer!

Dear CRACKED,
Why is it that you constantly insist on showing the bad side of a subject? I suggest that you show the **good** points of a topic at least once... then **CUT 'EM DOWN**!

Christopher Khan
Romulus, MI

NOW you're talkin'!

Dear CRACKED,
Ya know, the truth is issue 211 was hilarious! Truth is Trivia Facts were great! Truth is Sagebrush is getting funnier than ever! Truth is your interview was superb! Truth is... I'm a liar!

David Timony
Boothwyn, PA

Truth is your letter had us rolling on the floor with laughter! Truth is... we're liars too!

Dear CRACKED,
I am a very close friend of **Malcom Warner**, who plays Rudi on the **Bill Cosby Show**. Your drawings looked nothing like him at all! Next time, please make it look more like him!

Mark Williams
friend of **Malcom Warner**
Los Angeles, CA

If he doesn't look like the drawings in **CRACKED**, are you sure he **IS** the real **Malcom Warner**?

Dear CRACKED,
I am very disappointed with issue #435 of CRACKED! Basically because it hasn't been published yet!
I mean get on the ball! I hate to wait a month for the next issue—you should make CRACKED weekly!

Disappointed Mike
St. Johns, MI

Let's wait and see if you're disappointed with CRACKED #435 when it comes out...In February 2009!

Dear CRACKED,
I was reading the letter column in issue #210 and everyone was talking about #209! What was so special about that issue?

Daniel Collins
Vero Beach, FL

Oh it's SPECIAL alright! Just like EVERY issue of CRACKED! Why not GET a copy of #209 and find out! HOW you ask? In answer to you (and others like Rebecca Pastiner, Ossining NY; Charles Maya, Cleveland OH; Michael Wise, Cherry Hill NJ and Aruna Sarma, Herndon VA), we refer you to page 42 where we are now selling BACK ISSUES!

Dear CRACKED,
I would like to know how you guys got the name of your magazine.

Lance Curby
West Frankfort, IL

When people saw the stuff we were gonna put in the magazine, they said, 'You must be CRACKED!'.

Dear CRACKED,
I've always wanted to be a writer for CRACKED. Now I'm not too sure because I never see their names in the magazine. Where do you put their names?

Jason Enright
Sioux City, IA

On their PAYCHECKS! Actually, we'd LIKE to put their names on the articles, but most of the writers are hiding from the men in white suits and don't want to draw any more attention to themselves!

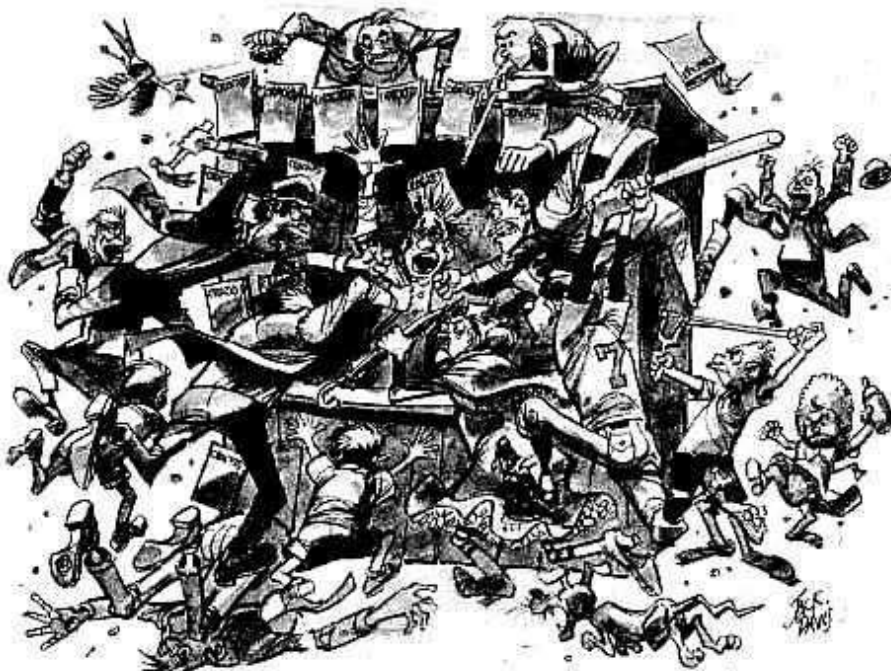

Dear CRACKED,
This is the first time I've written to you. Could you tell me what your address is?

Steve Cook
Waterville, NY

P.S. Did you get this letter?

No Steve, we NEVER got your letter!

With more celebrities and rock stars joining the wrestling scene every day, it's fast becoming the number one attraction in America. So much so that wrestling even has it's own TV talk show. It goes something like this...

WRESTLIN' T 'n' T

RAISE YOUR VOICE AGAINST POLLU

Hunk...where did you learn how to wrestle?

From a guy named Sam McGee!

Oh? Is he a wrestling coach?

No...an acting coach!

Have you ever been disqualified from a match?

Yes...once when I accidentally hit the referee!

That's dis for accidentally hitting a referee!

39 times?

Here's a clip from my last bout. You see me entering the ring and, within ten seconds, I'm hacking and kicking and clobbering my opponent! I must say though...she was the toughest broad I ever faced!

...Notice all the hitting and body jabbing going on! This is with the fans in the stadium...in the ring it wasn't so violent!

Thank you, Hunk Hokum! And now for our next guest...a new addition to the wrestling scene...a man who, when he walks down the street, folks say: "Well, there goes the neighborhood!" Let's welcome...MR TEE!!...

SUPPORT YOUR LOCAL HERNIA FOUNDATION!

Mr. Tee...how come you went from Hollywood to wrestling?

Fool, don't you know in Hollywood everything's phony? This wrestling scene is the real thing!

I started wrestling to stamp out evil! That's why I team up on the side of good guys...to combat the evil, you dig?

These evil guys have no respect for human beings! To them, life is cheap! To them, a person ain't nothin'! I say line 'em all up against a wall and shoot 'em down like dogs!

Thank you, Mr. Tee! And now for another newcomer to the wrestling scene. A little lady who's real colorful...mainly, black-and-blue from all the slaps she's been getting lately! From the world of rock 'n' roll, say hello to CINDY LOAFER!

Cindy... why are rock stars getting into wrestling nowadays?

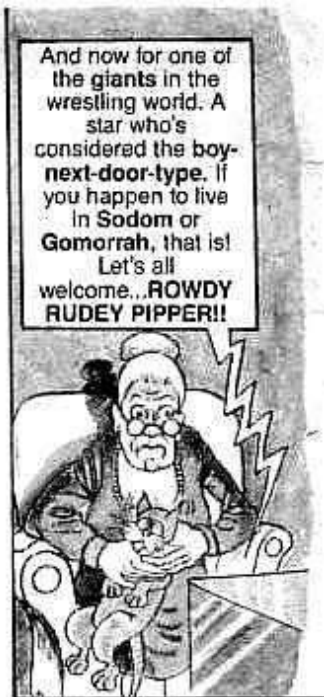

Well, Wince...like, wow, it's a real blast and, like, gee, the beat is groovy and, well, I mean, like, everything's real gnarly...you know what I mean? Like, I mean it's all so cool and, like, neat...you get what I'm saying?

I got everything you said, except for one part...the part that came after "Well, Wince..."

Tell me, Cindy... why did you decide to manage a female wrestler?

Like, I mean this chick is, like, aces and I really, like, dig her, so I, like figured why not, you know? Like totally, for sure...girls just wanna have fun!

And now for one of the giants in the wrestling world. A star who's considered the boy-next-door-type. If you happen to live in Sodom or Gomorrah, that is! Let's all welcome...**ROWDY RUDEY PIPPER!**

Rudey, some people think you're a loudmouth...a braggart...a conceited egotistical bore! What do you say to those people?

I thank them! In this business that's a compliment!

You also have a reputation for being overly aggressive and violent! What's your answer to that?

That I deny! I am not overly aggressive and violent! And I'll kill anyone who says I am!

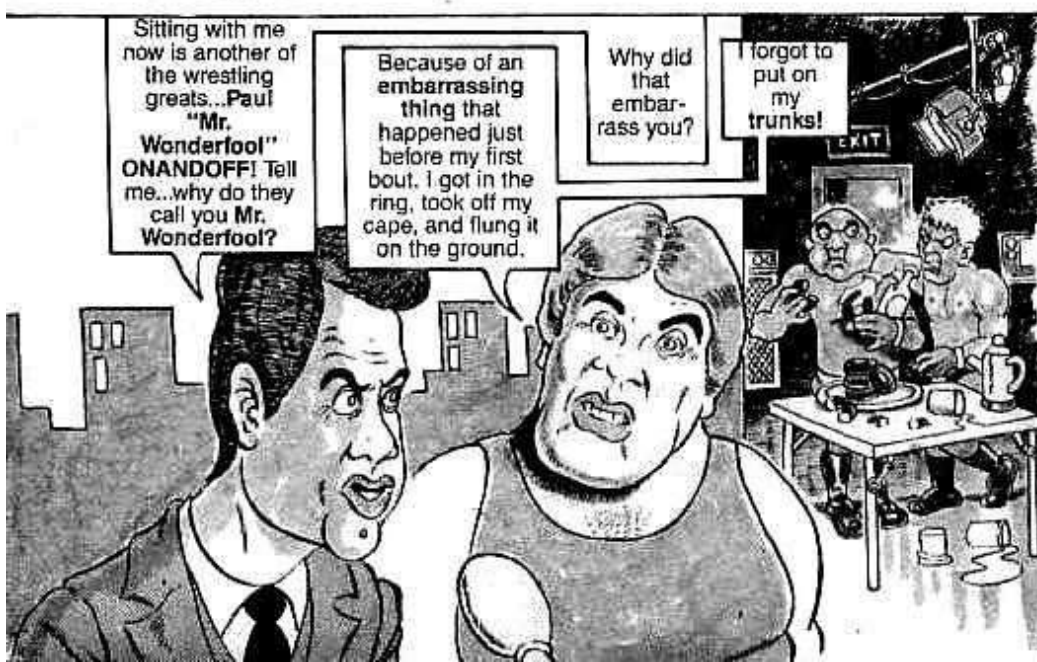

THE BALD EAGLE WEARS A HAIN PIECE

Tell me...do you ever get any last minute jitters before a match? Have any anxiety?

Yes. Things like...is my eye shadow on right? Will my snazzy new outfit make a hit with the fans? Will the TV cameras pick up my best side? Things like that!

Thank you, Rudey Pipper!

Sitting with me now is another of the wrestling greats...Paul "Mr. Wonderfool" ONANDOFF! Tell me...why do they call you Mr. Wonderfool?

Because of an embarrassing thing that happened just before my first bout. I got in the ring, took off my cape, and flung it on the ground.

Why did that embarrass you?

I forgot to put on my trunks!

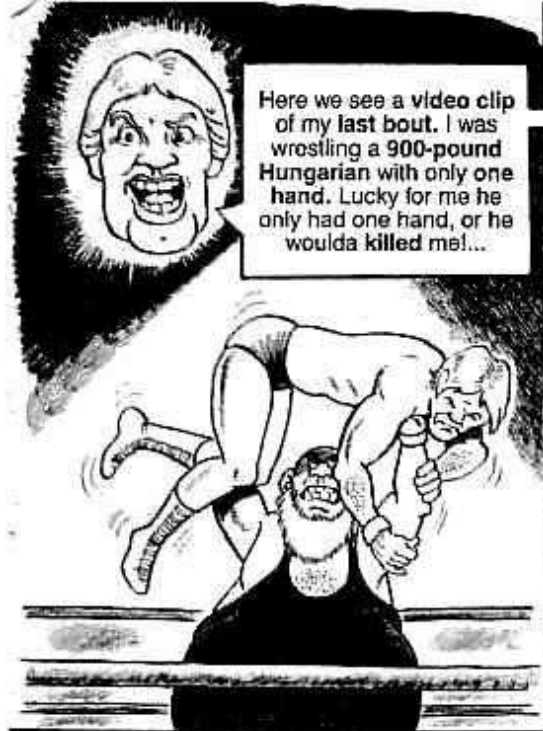

Where do you work out now...in a gym?

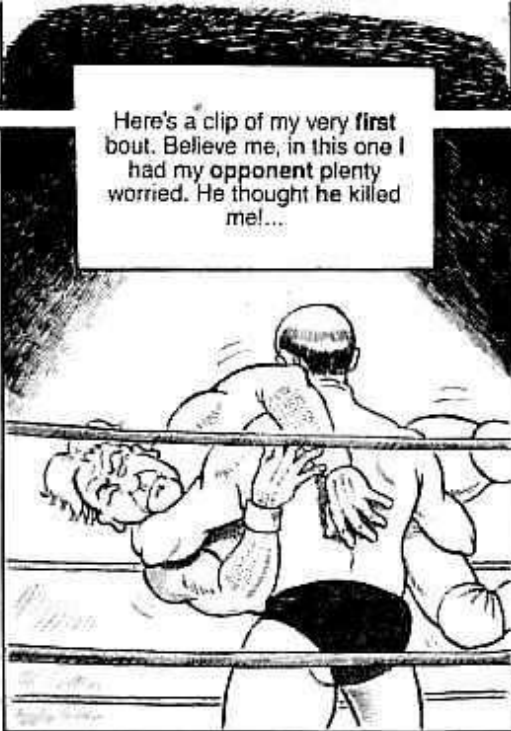

No, I don't have to! I get plenty of practice on my way to the stadium!

How come?

I take the subway!

Here we see a video clip of my **last** bout. I was wrestling a **900-pound Hungarian** with only one hand. Lucky for me he only had one hand, or he woulda killed me!...

Here's a clip of my very **first** bout. Believe me, in this one I had my **opponent** plenty worried. He thought he killed me!...

Here I wrestled a guy with **one leg** named **Ivan**. I don't remember the name of his other leg...but he was **tough!** Kept **spinning** around all the time!

With me now are some of our **newer** wrestling stars! Each is a **unique** personality in his own right...

Here is the **Masked Mishugina!** Tell me...why do you always wear a mask?

So that after the match, on my way home, muggers won't recognize me and beat me up!

Doctor Dementia. ...why do they call you "**The Humanitarian Wrestler?**"

I personally mend every bone I break!

Mighty Midget!...you're only **three feet** tall! How'd you get into the **Wrestlin' Federation?**

I lied about my height!

FOUR-FLUSHERS WASTE A LOT OF WATER!

Stranglehold like...why do so many of our opponents faint in the ring? Is it your grip?

No, it's my **armpits!** What do you expect from a **400-pound ox** like me who's been fighting all night in a **95-degree arena?**

You're call the "**Junkpile Dog**"...how long have you acted like a dog?

Ever since I was a little puppy!

DID YOU EVER SEE A PSYCHIATRIST?

Yes, And He Made Me Lie Under The Couch!

Well, that about wraps it up for now! Next week we have a...

W-What's that? ..There seems to be a ruckus going on backstage! I'll go see what it is...

BAVOOM
THUD

Oh-oh! Hunk Hokum and Mr. Tee are at it again...with Rudey Pipper and Mr. Wonderfool! Don't they ever give up?

Guess not! They figure they can milk **another** million bucks out of the grudge match!

YOU'RE A COMMIE PINKO!

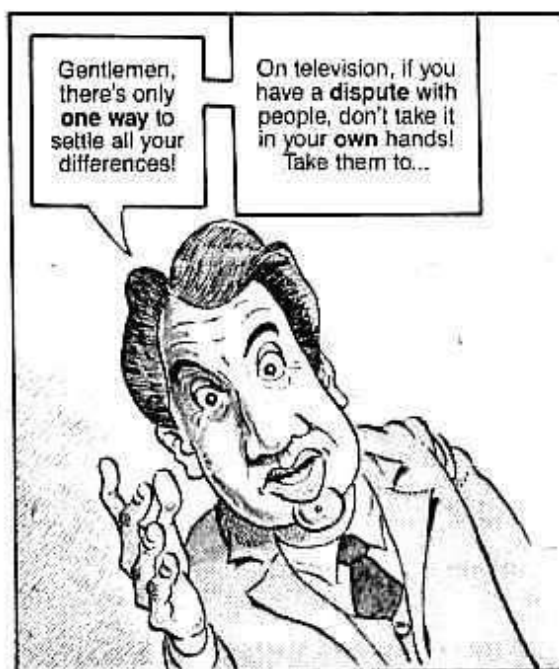

YOUR MOTHER SELLS ARMY SNEAKERS!

OH YEAH! YOUR MOTHER WEARS THEM!

YOU READ CRACKED MAGAZINE!

Gentlemen, there's only **one** way to settle all your differences!

On television, if you have a dispute with people, don't take it in your own hands! Take them to...

Several states now have mandatory seat-belt laws which make it a must to wear them while driving. But **IDEAS FOR OTHER**

All bar stools should have seat belts. That way, when patrons have one too many they won't fall on the floor and hurt themselves...

This will also cut down on drunk driving. Unable to unbuckle them, they'll sleep at the bar instead of driving home...

All dining room chairs should have seat belts around diners' stomachs to keep them from overeating, their stomachs unable to expand...

If diners do manage to overeat, they will be stuck in the chair. They will not be able to undo the seat belt until they reduce...

Theatres should have seat belts during adventure films. When patrons are on the edge of their seats they would not fall off...

Theatre seat belts would also be good for business as critics would not be able to get up and walk out on bad plays...

**seat belts can have other uses too.
Like ferinstance, here are some of
our own...**

SEAT-BELT LAWS

SIN NOW, PRAY LATER!

Canoe seat belts would prevent a lot of accidents. For example, you couldn't stand up and tip over the whole boat...

Front-step seat belts would keep makeout guys from falling on their faces whenever a pretty girl passed by...

Parental-lap seat belts would make playing horsey safer for smaller kids...

Dentist-chair seat belts would cut down a lot on all that squirming by patients...

Saddle-seat belts would reduce falls in horseback riding, avoiding bruised rear ends...

Barber-chair seat belts would improve the looks of the general public as customers would not be able to squirm about...

School-desk seat belts would reduce time-wasting stalls, preventing kids from leaving the room every few minutes...

On the planet Maternia, Hee-Man wages an endless war against the wicked Skelatron! Why? So toy companies can make millions of dollars, that's why! Thanks to CRACKED, however, Hee-Man finally finds his match as...

Greetings? Don't tell me I've been drafted?

No, but now you'll finally pay for all your (yechh) crimes!

A LOOK AT

NEW STUPOR-HEROES

WHAT'S HAPPENING ON THE SWINGING SCENE

THE SLUGGING GRANDMOTHER

Who would suspect that this 86-year-old arthritic-ridden old lady is, in reality, a fighting opponent of evil everywhere. When she swings into action, her cane becomes a sword, her bifocals powerful X-ray eyes, and her hearing aid a transistor. Only her companion, **The Rotten Grandchild**, knows her true identity.

SUPER PIG

By day, a shy unassuming young pig living in an obscure pen on a Nebraska farm. At night he sheds his layers of fat and becomes **Super Pig**—able to leap tall siloes with a single grunt. He goes hog-wild in his fight against crime and is not adverse to wallow in the dirt and slop of corruption anywhere.

DOES THE NAME EDISON TURN YOU ON?

SCRATCHO, THE LICE MAN

This brand-new adventure book hero gets in the hair of his opponents and causes them to scratch themselves to death. Armed with but a tiny spray can for a weapon, he unleashes thousands of tiny lice which infest his victims and drive them insane. His perennial foe, **The Hangnail**, is the only one who causes him trouble.

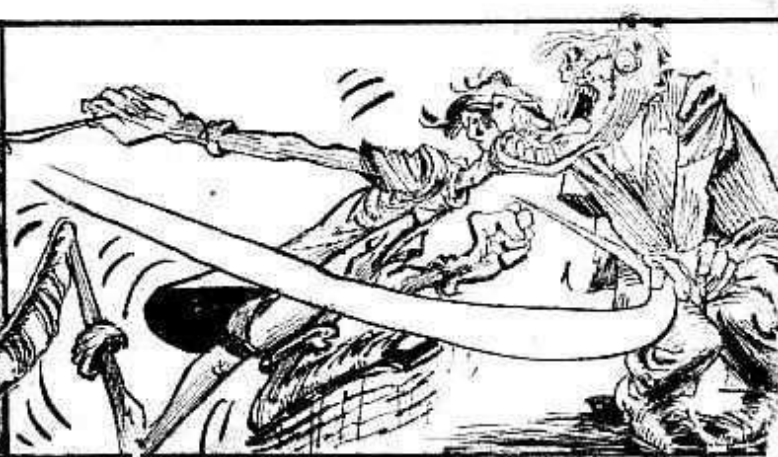

THE DEADLY DENTIST

Armed with a supersonic electric drill, he painfully inflicts it on villains until they wince in agony. Getting on the nerves of his opponents, his deadly gas incapacitates them while he continues digging out the roots of the underworld. Small wonder then, his foes all say they need this guy like a hole in the head.

SUPER BEDBUG

Crawling out of the woodwork with all the savage fury at his disposal, this fearless scourge of the underworld terrifies the most powerful of foes. A night fighter, he surprises them in their beds when they're most susceptible. Together with his girl friend, **Lady Bug**, he leads a pack of hundreds against crime.

THE SWINGING SURGEON

Armed with only a small scalpel in his hand, this hero can incapacitate his enemy with a single thrust in a vital area. A genuine cutup, this masked and gloved foe of diseased minds also introduces germ warfare in his perennial battle against the forces of evil. He approaches victims slowly, but really charges later on.

LUCRETIA BORGIA WAS ONE HECKUVA MIXERI

SKUNK MAN

Using his highly developed sense of smell, this formidable opponent of evil has no trouble getting his victims out into the open. Wearing a black uniform with a white stripe down the back, his overwhelming presence can be felt for miles around. To balance his powerful personality, **The Perfume Kid** accompanies him everywhere.

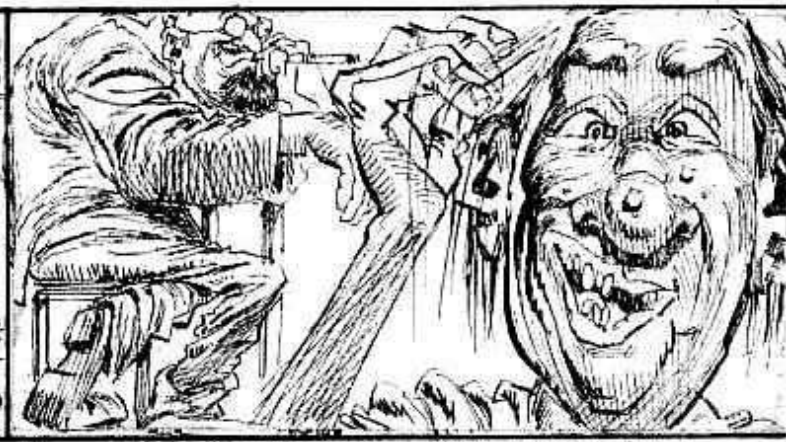

GLOB, SON OF BLOB

A great big mass of human protoplasm, this stupor-hero snares the villains and disposes of them inside his own body. Running rampant through the belly of the underworld, he gets bigger with each new foe that he devours. Only his faithful and twisted companion, **Yech, Son Of Blech**, knows who the original Glob really was.

THE GALLANT GARBAGEMAN

Gathering up the trash and wastrels of the underworld, this ultra-stupor-hero swoops up his victims in an enormous garbage can. He can clean up an entire city single handedly. His only major opponent is his deadly foe, **The Sadistic Litterer**, who constantly thwarts his endeavors by leaving a trail of wrong doings.

THE PLUNGING PSYCHIATRIST

This hero destroys his enemies by just talking to them. He makes them feel so insecure that they give up in sheer futility. What he does is give them instant psychoses—driving his victims so crazy that they finally crack up. Soaring through the skies on his **Magic Couch**, he is the terror of sick minds everywhere in the world.

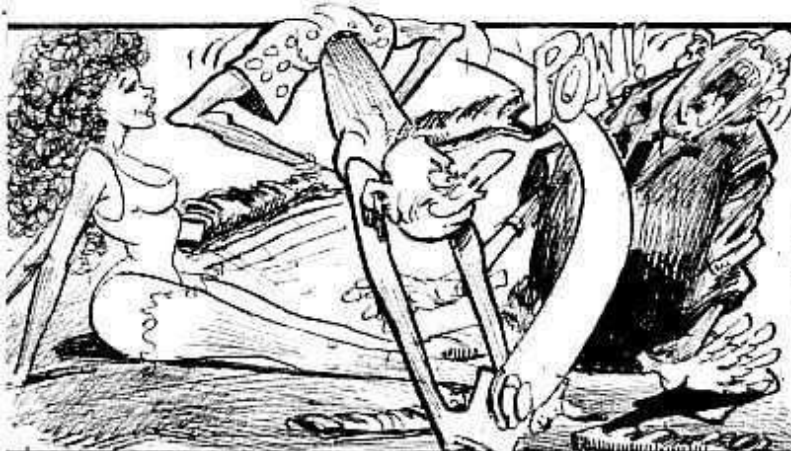

THE FIGHTING EMBALMER

Not only does this deadly stupor-hero destroy his foes, but he embalms them as well—so that they never look better in their lives. Armed with a destructive fluid gun, he jabs his way into every single vein of corruption. His sidekick, **The Merry Mortician**, provides the only comic relief from these otherwise grim tales.

THE TERRIBLE TAPEWORM

This down-to-earth super-being will eat his way into your heart. A real stomach-turner to those who start up with him, his presence is felt in many circles. What he does is cause his victims to overeat until they explode and fade from the scene. Together with **The Roast Porkman**, he had one gluttonous adventure after another.

LONG JOHN, THE UNDERWEAR MAN

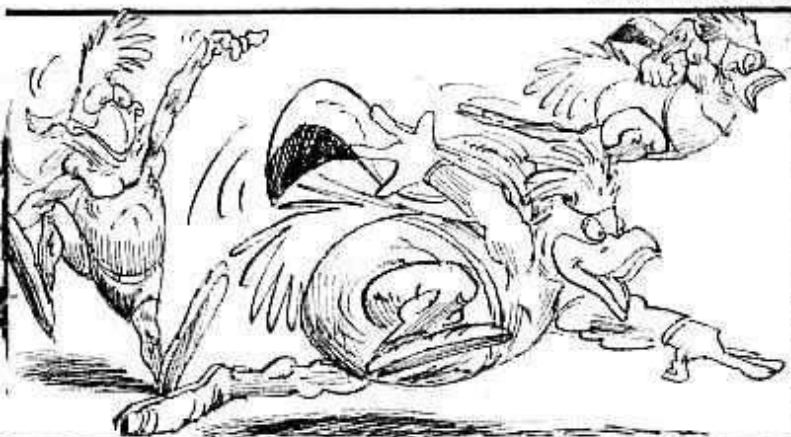

Clad in a real union suit, this hero battles the villains who strike at night. Wearing no insignia on his long white underwear, he's able to move inconspicuously in the shadows of the city. For the summer he takes off his costume and becomes **Jockey Shorts**—terror of the day people. His romantic interest? **The Pajama Girl**.

APE GIRL

The only hairy girl stupor-hero in the comic book world today, her long bushy tresses fall down over her entire body. This her enemies trip on. She then ties them up with her hair and drags them along the ground to the hoosegow. Although not fun to be with on a date, **Ape Girl** can turn into a real swinger on occasion.

SEND A CAMP BOY TO THE CITY!

THE CHICKEN FLICKER

Plucking away at the forces of evil, his feathery costume flying through the air is the symbol of law and order everywhere. Flicking away with him are his two loveable sidekicks, **Top and Bottom**. Together this trio swoops down on victims with a hawking fury never before seen. Very seldom does this stupor-hero lay an egg.

THE GIANT TERMITES

Biting away at the vicious forces of evil, this toothy new hero can wreck an entire house full of villains. Racing from out of the walls at night, he gnashes his sharp teeth on mankind's foes. Together with his accomplice, **The Gnawing Gnat**, he is a destructive foe of wrongdoers wherever they may reside.

CAVEWOMEN WERE A REAL DRAG

THIS MONTH'S STUPOR-HERO HAPPENINGS

Incredibly Nauseous Comics is teaming its top hero, **Anchovy Man**, with **The Mushroom Kid** in hopes of coming up with some new ideas on how to outwit their perennial opponent—**Antepasto**...**The Mighty Albatross** is being dropped by **Pretentious Comics** as he's bringing bad luck to the artists drawing him...A new stupor-hero, **The Smiling Crab**, makes his debut in next month's exciting issue of **Far Out Fink Stories**!

The Avenging Aardvaark teaming up with **The Gigantic Giraffe-Man** for more action-packed adventure in **Horribly Mangled Tales**...**Rollo The Rattink** checks into **Smelly Old Comics** next month as a full-featured regular...**Clarence The Colossal** gets a girl friend for the first time in his next adventure in **Blah Tales**. She'll be blonde and beautiful **Zelda The Zulu**!

Captain Bronx, **The Terror of Moshulu Parkway**, moves from **Hack Adventure Comics** to **Plain Disgusting Comics** starting next issue. Welcome aboard, Cap...**The Startling Streetcleaner** really cleaning up things at the **Abominable Comics**' stable. Editors claim he's making a pile for them...Fans are complaining that **The Fabulous Habadasher** has gotten too high-hat lately. He's one of those long underwear heroes who shouldn't be so starchy or he might lose his shirt!

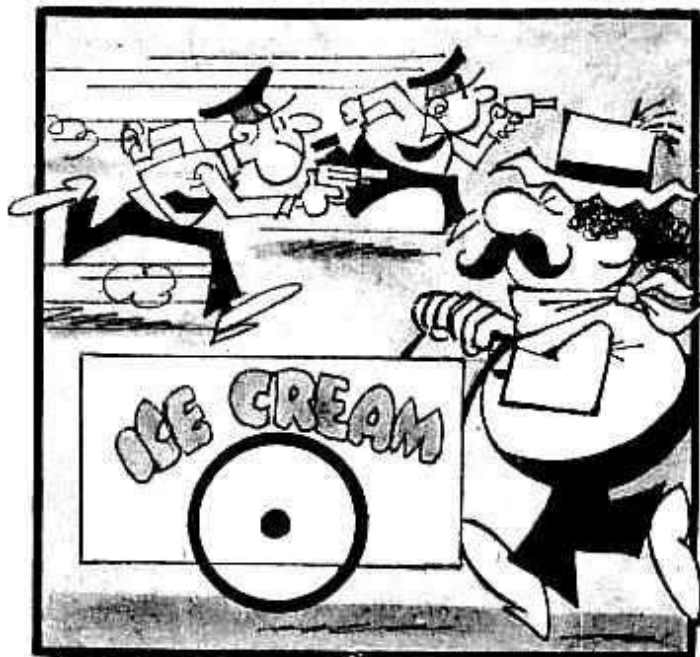

The Battling Barber joins up with **The Weirdo Wigmaker** for some hair-raising adventures in the next issue of **Fly-By-Night Comics**...Wait'll you get wind of **The Smelly Alligator's** latest adventures in the current issue of **Incompetent Comics**. Will make your skin crawl...Most readers think **The Snarling Parakeet** is for the birds and that he should get out of his cage once in a while. How about it, editors of **Poor Taste Comics**?

A convention of all adventure comic book fans will be held this Fourth of July. Plans are being made to find a place big enough to hold all the fans. At this writing, it's a choice between the continent of Australia and the Thousand Islands.

WHO'S WHO IN THE CLASSROOM

ARNOLD is the kid whose mother always makes him wear galoshes to school—whether it's raining or not.

BERNICE is the one who gets up a minute before the final bell and reminds the teacher that she forgot to give the homework assignment.

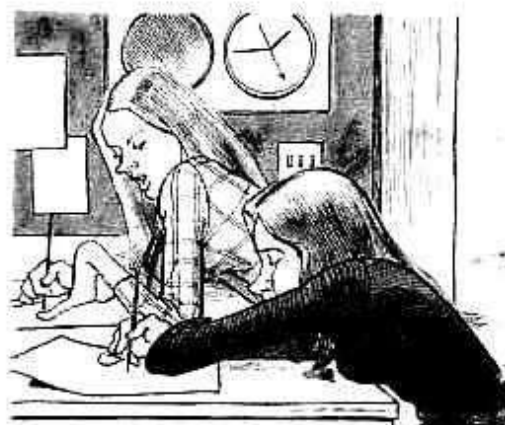

Attention Weight Watchers: There'll be no amnesty for desserters!

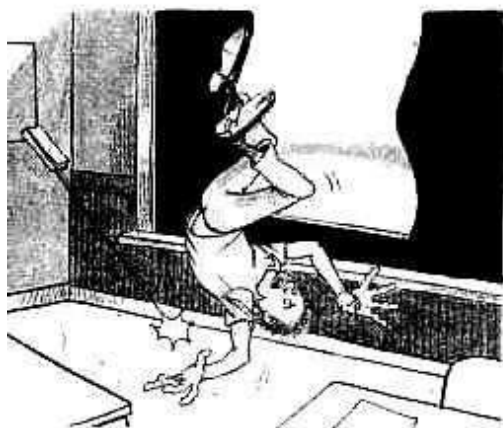

SEYMOUR is the boy at the school lunch table who gets the soup spilled in his lap. **SHELDON** is the one who spills it on him.

JEROME is the kid who is caught by the teacher with the funny drawing of her—that has been passed around the room for twenty-minutes.

HARRIET is the girl who always gets caught cheating on an exam. **BLANCHE** is the girl whose paper she copied from.

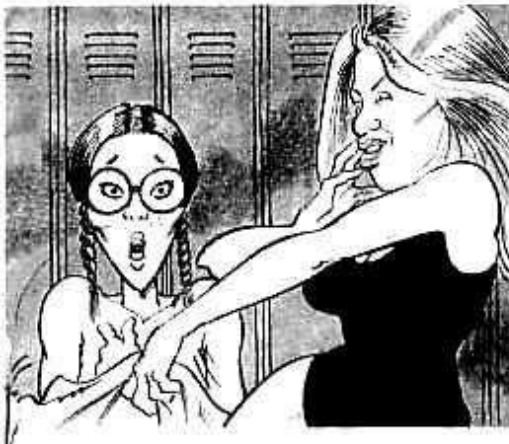

MELVIN is the class monitor who is placed in charge of the Safety Squad. He breaks his leg first day on the job.

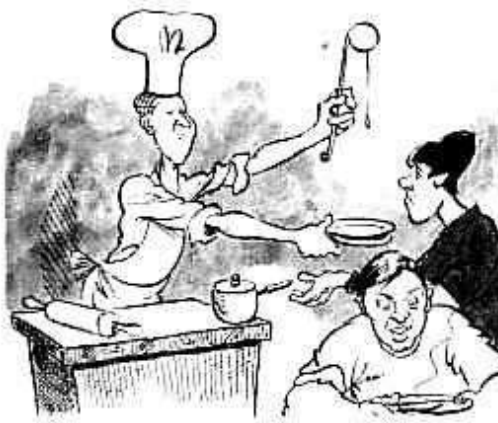

BERNARD is the boy who has a crush on **SHEILA**. She doesn't like him, but likes **MURRAY**, who really likes **NAOMI**.

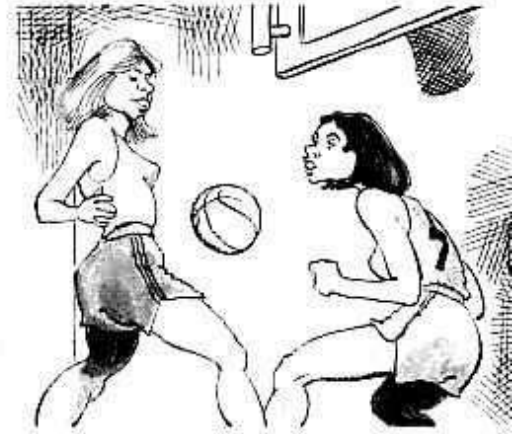

VERNON is the kid who gets caught throwing the spitball. **HARVEY** is the one he throws it at.

SYLVIA refuses to take off her clothing for the Swim Class. **IRENE** is the girl who finally yanks it off.

HAROLD gets to the lunch counter on the food line just as they run out of hot plates. **ALBERT** got the last one.

ROBERTA was named because her parents wanted a boy. Ditto **PAULA**. Both are captains of the basketball team.

VETERANIANS MAKE HOUSE CALLS

NATALIE is the school hussy. **IRA** is the one who constantly tries to make time with her. **SCOTT** is the guy she's secretly in love with.

LEONARD is the most popular kid at school. **DENNIS** is the stupidest. **REUBEN** is the class clown. **BRENDA** is voted the girl most likely to succeed. **DUANE** is the boy most likely to succeed with her.

ALFRED is the kid caught smoking in the lavatory by the teacher. 14 other kids were smoking but he gets caught. He was the only one *not* smoking.

DORIS and **STANLEY** are going steady. So is **LORETTA** and **HERBERT**. But **ARLENE** and **NORMAN** never seem to hit it off.

MARILYN is the laughing stock of the French class for constantly mispronouncing words. **NADINE** is the one who laughs the loudest.

LEON gets blamed for everything no matter who did it. **KEITH** is the one who always does it and never gets caught.

MOVIE SATIRE

Hi, I'm **Eddie Morefee**, the biggest box office star in America...and I say that from the bottom of my head! This is my **third big picture** and already it's made the list of the top ten money-making films of all time...which shows you where the **taste** of the American public is!...

To what do I attribute my phenomenal success? To **guilt**, that's what! Guilt on the part of the American people for what they did to **my people** all these years! And what they did to **us**, I'm now doing to **you**...In my own nasty way! Man, you shoulda read this intro before the **CRACKED** editors cleaned it up!...

And speaking of the **CRACKED** editors, since this movie is rated "R", they figured none of you readers are old enough to have gotten in to see it. **Ha-ha!** that's the **biggest laugh** you'll find on all these pages!...

So, like, **CRACKED** thought it would show you what you missed. After reading it though, you'll see that you didn't miss a **thing**...because even though I'm in it, this movie is nothing more than a...

ATTENTION BALDING MEN OF AMERICA: PREPARE TO MEET THY DOME

BEVERLY HILLS SLOP

Boss, I'm mad! I haven't been so upset since I gave out all those parking tickets before realizing I was in a drive-in!

It must be hard to take...your best friend getting bumped off! Looks like you'll go into mourning...

Not only into mourning...but the next few days! I've had it! I'm taking off! Malarkey's death showed me that life is short...so I'm going on vacation! Nothing too far as I'm a little short! Er...when's the next bus going downtown?

CRAZY HORSE WAS AS SANE AS YOU OR II

Man, like it's bad enough I had to settle for honky Beverly Hills to vacation in...now you tell me you got no reservation for me...Axis Phony? Don't you realize who I am? Don't you know I can talk my way out of any situation? Haven't you seen my last three pictures?

Er...excuse me, sir, but it seems we do have your reservation. It just happened to be under another name..."God"!

Jenial...(sob)
...I still can't get over Malarkey's death...(sniff)
...especially since he owed me twenty bucks...the creep!

Malarkey, always Malarkey! Now that's a lot of Malarkey! What about us? We grew up together, Axis, and you never even noticed me! Don't you know I've had a crush on you since you made "48 Hours" and became rich and famous? Gosh, don't you ever think about girls?

Aw, c'mon, baby...I always knew you dug me! Hey, I'm a trained detective...it's my job to pick up on details like that! Just tell me one thing though...what are girls?

Exactly what was it that Malarkey did for you clowns here?

Why do you want to know?

Because I can do the same...and better! Since he was my best friend and you've got such a ritzy layout...the least you can do is give me a job!

Hey, I tell you I can carry my own weight! I'm carrying this whole movie, ain't I?

Ever get the feeling the world's a tuxedo...and you're a pair of brown shoes?

Hey, Man...like I thought I was in Beverly Hills for a rest...not arrest!

Save it for your night-club act, fool!

Are you kidding? Do you guys do everything by the book around here?

Yes, and the book we use is "Mein Kampf!"

KEEP GRANDMA OFF THE STREETS—LEGALIZE BINGO!

Those cops were real polite. In fact, one of them tucked me in last night...with a crow bar!...Thanks for bailing me out, Jenial!

What thanks? It's the closest thing I'll ever have to a date with you! But with my luck, we'll have motor trouble. Just wait...I bet the car won't stall!

Axis, do you think I'm attractive? I mean, on a scale of one to ten, what do you think I rate?

On a scale of one to ten, I'd say you rate as the most underweight chick I know!

I was right...those cops are staking me out! Boy, that really ticks me off!

Because they won't leave you alone?

No, because they do leave me alone! Look at 'em having that fine barbecue out there...and they don't invite me! Wait'll I tell the NAACP!

Hey, I'll get myself invited! What I'll do is bring the dessert! Man, you got any bananas?

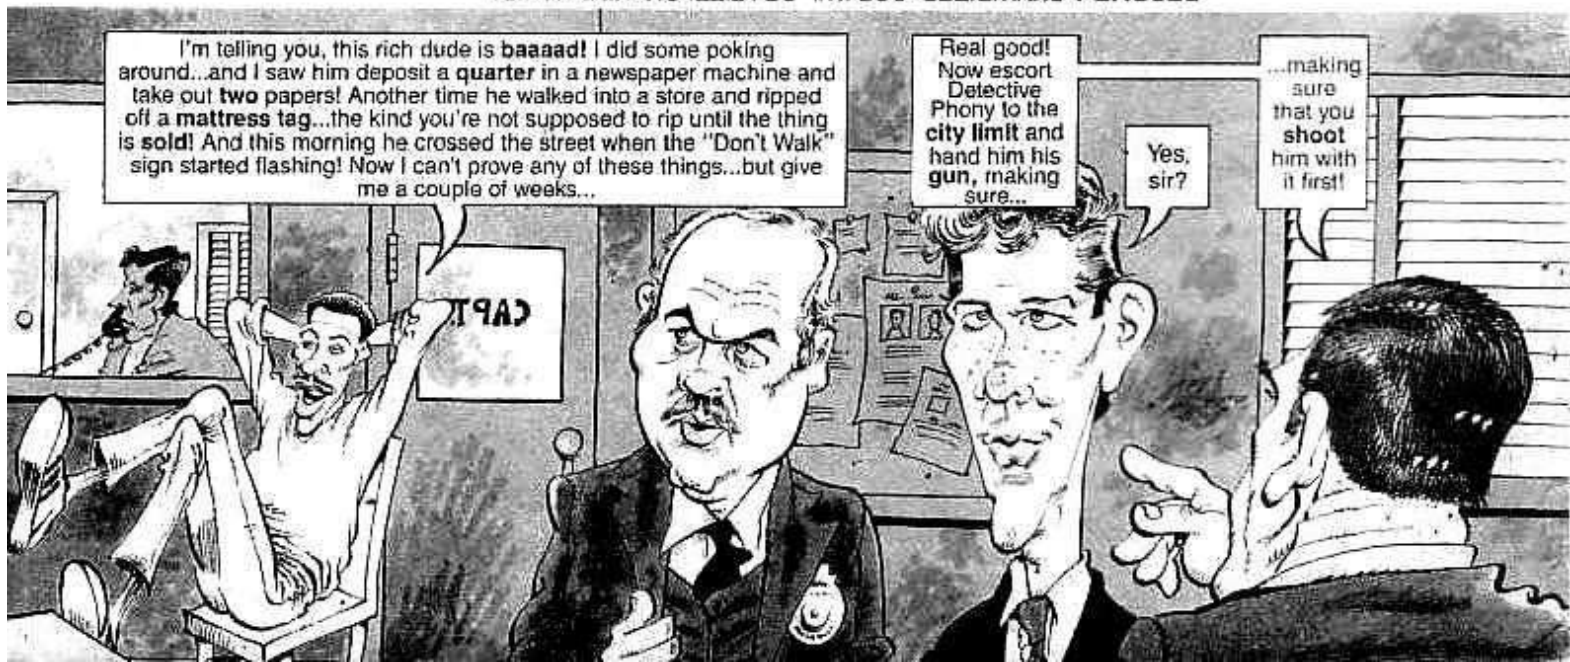

How about these two...Joe Poscopoo and Michael Keeton?

I want top bananas! If I wanted low-class second bananas, I'd have gone to the Catskills!

The other day, Russell Packard was talking to Ricky and Steven Richards about how he could do a better flip into his swimming pool than either of them. Well, a challenge was set, a bet was made and the competition was ready to begin when Ricky chickened out — just because it was the middle of winter and the pool was frozen over. Now, you may ask, what does this have to do with the next article? And to be truthful, we'd have to answer — nothing! But you gotta admit, it did kill the space where we'd normally put one of our not-so-sane introductions. So, with that out of the way, time now for . . .

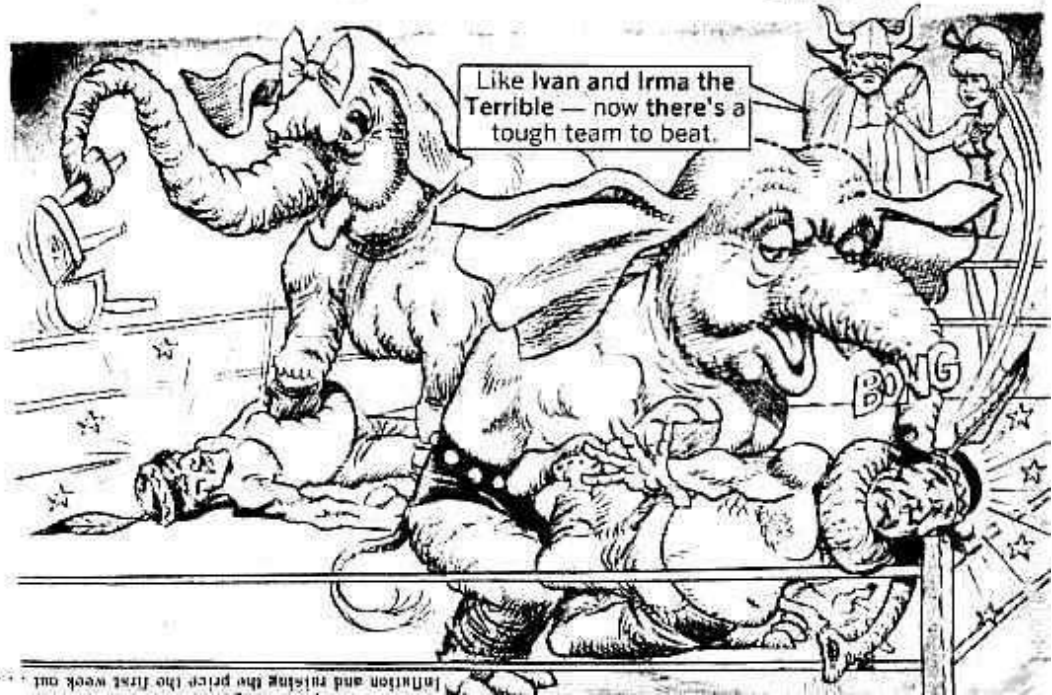

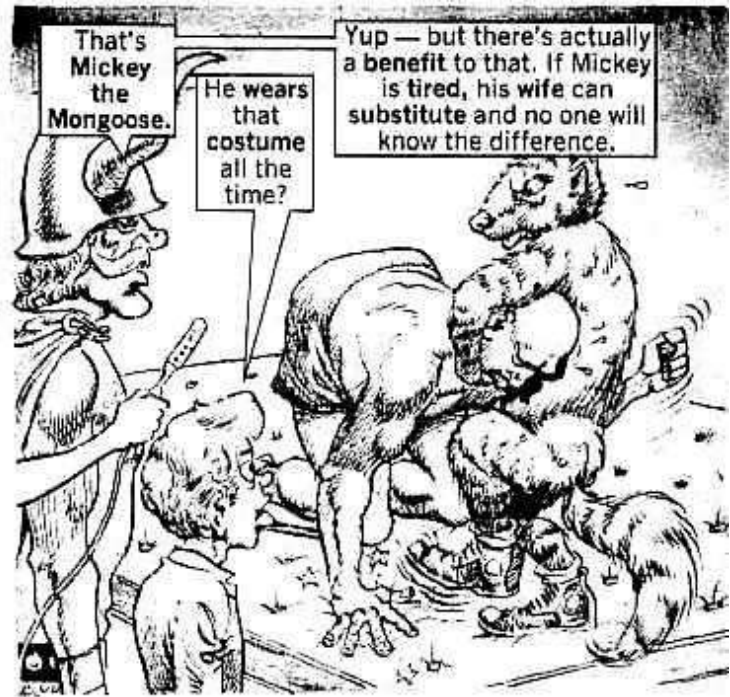

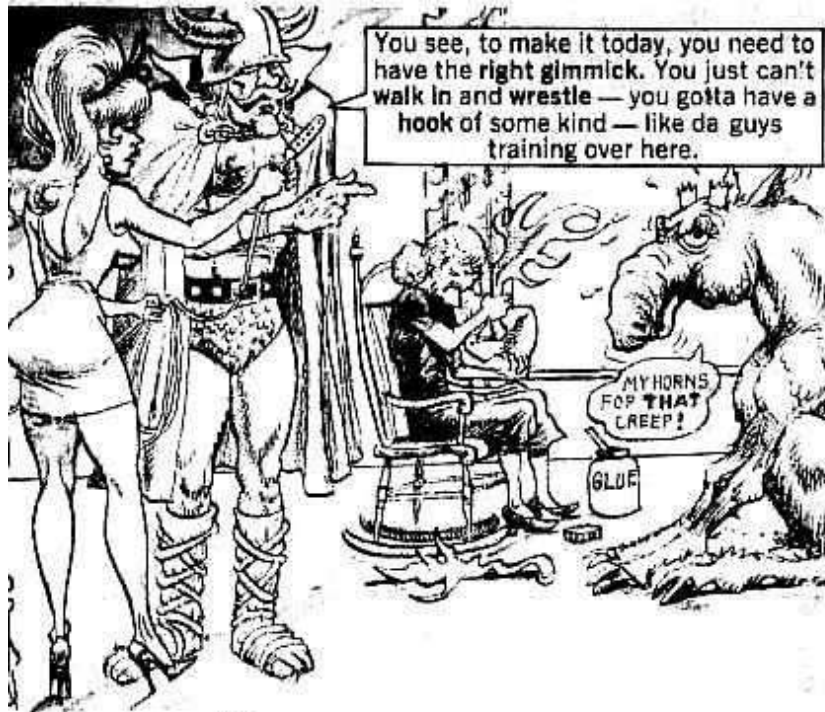

CRACKED INTERVIEWS

THE WRESTLING KING

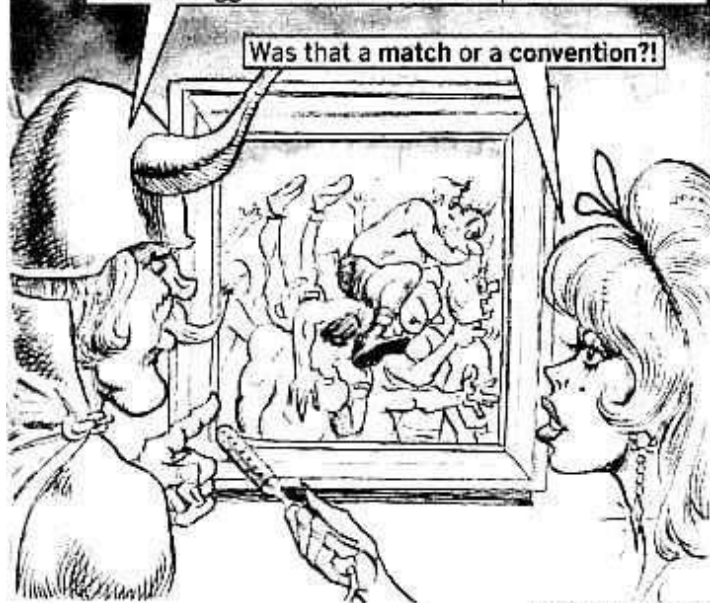

THE LIBERTY BELL ISN'T WHAT IT'S CRACKED UP TO BE!

But aside from the two-man teams, recent tag team matches have been gettin' a little out of hand to help draw a bigger audience — as this photo will show.

Was that a match or a convention?!

I would imagine that after you reach a certain age, you have to retire from this sport.

That's not so. Why, one of the top tag teams in America is Mr. Bruce and Grandpa.

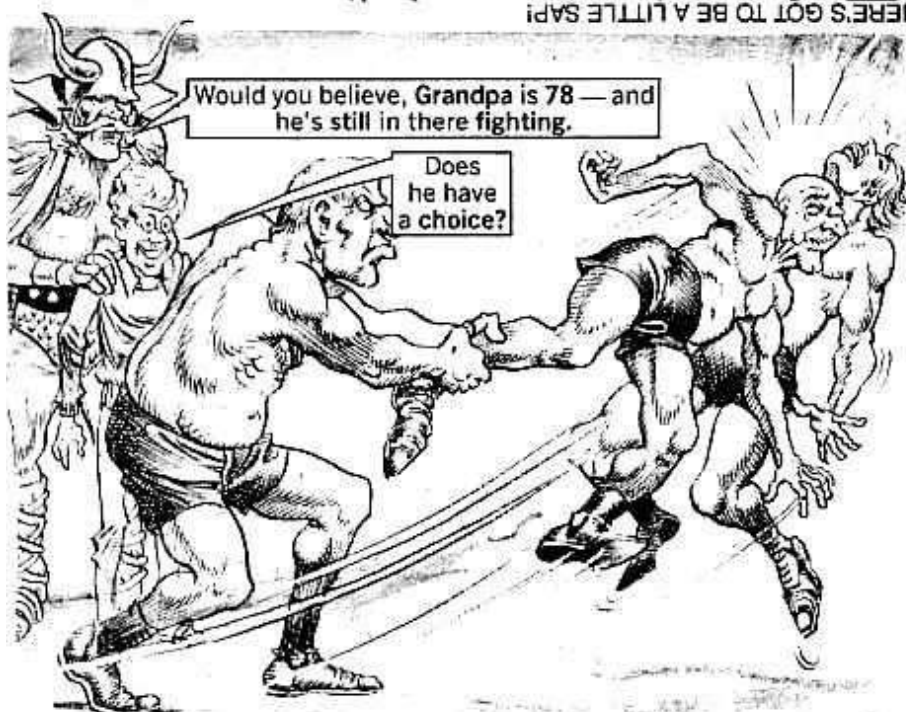

You're pinned, Mack!

IN EVERY FAMILY TREE THERE'S GOT TO BE A LITTLE SAPI

Would you believe, Grandpa is 78 — and he's still in there fighting.

Does he have a choice?

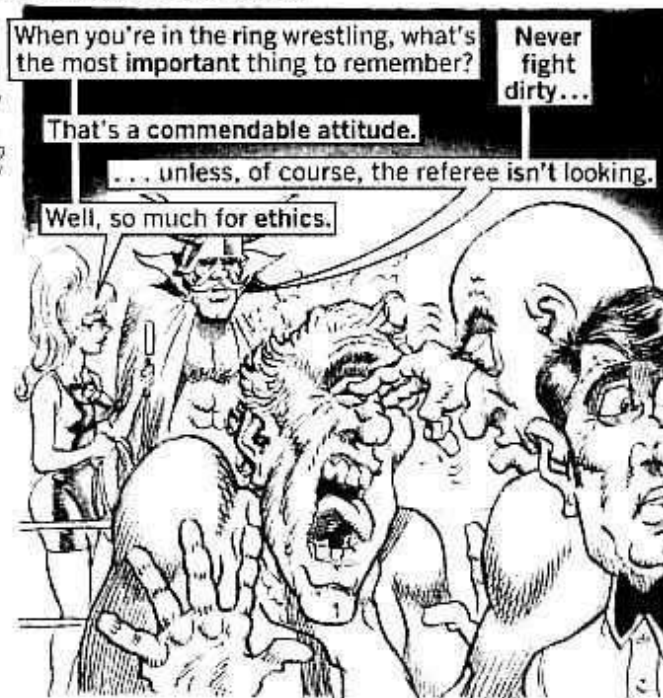

When you're in the ring wrestling, what's the most important thing to remember?

Never fight dirty...

That's a commendable attitude.

... unless, of course, the referee isn't looking.

Well, so much for ethics.

Can you demonstrate some of the simpler wrestling holds on my nephew here?

Aunt Nanny! You got something against living?!!

Sure.

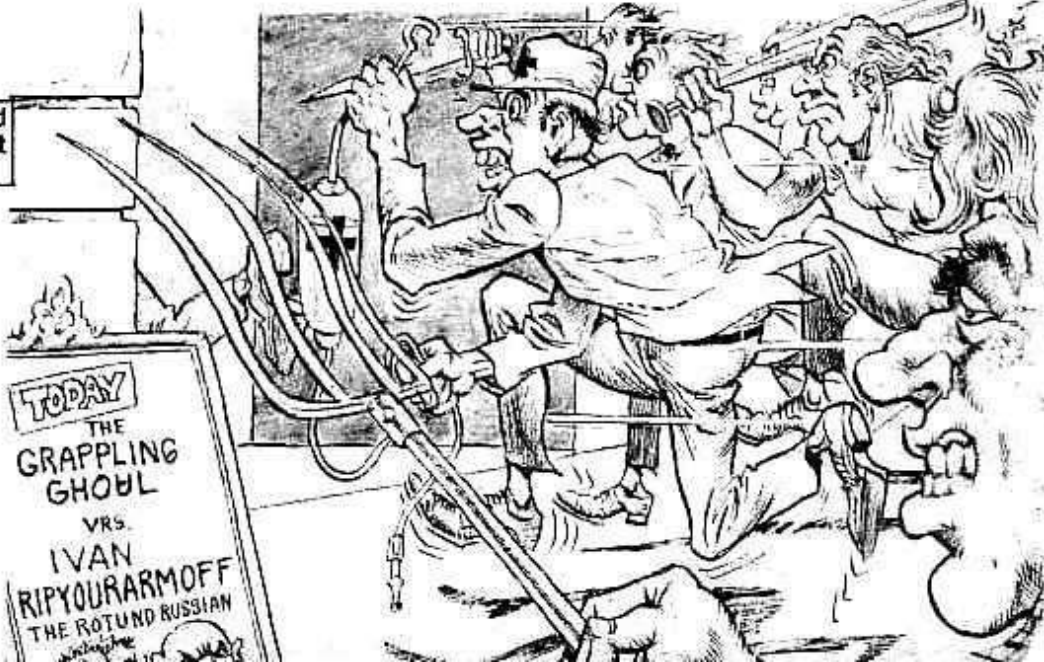

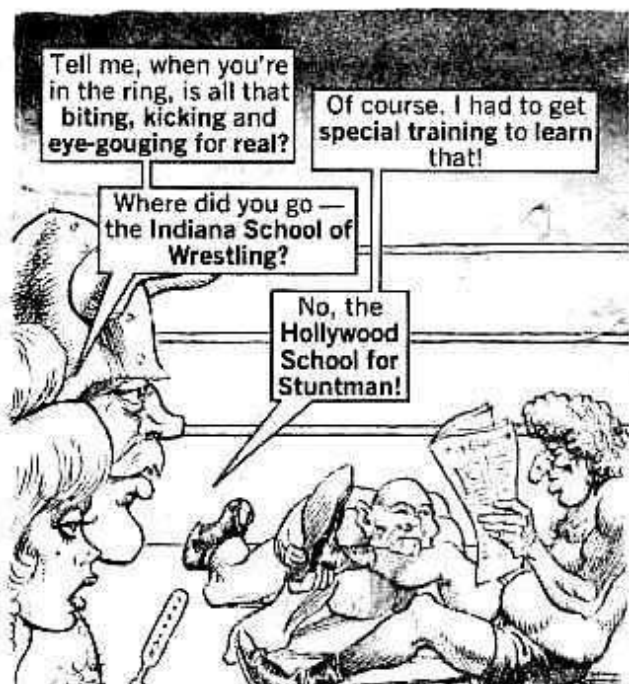

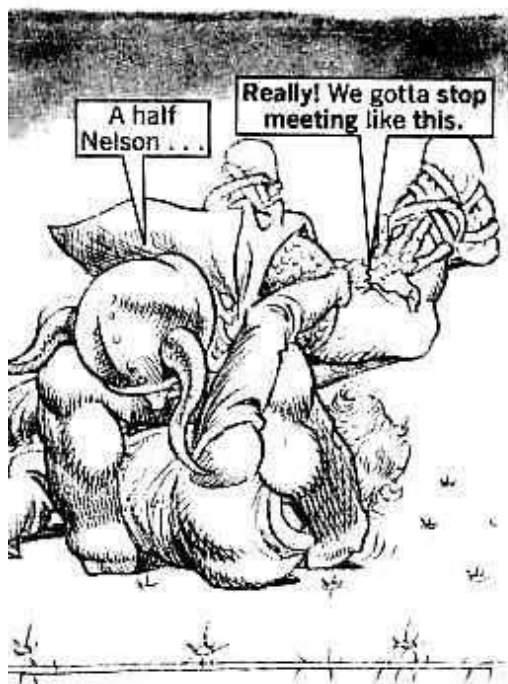

First, this is the scissor hold.

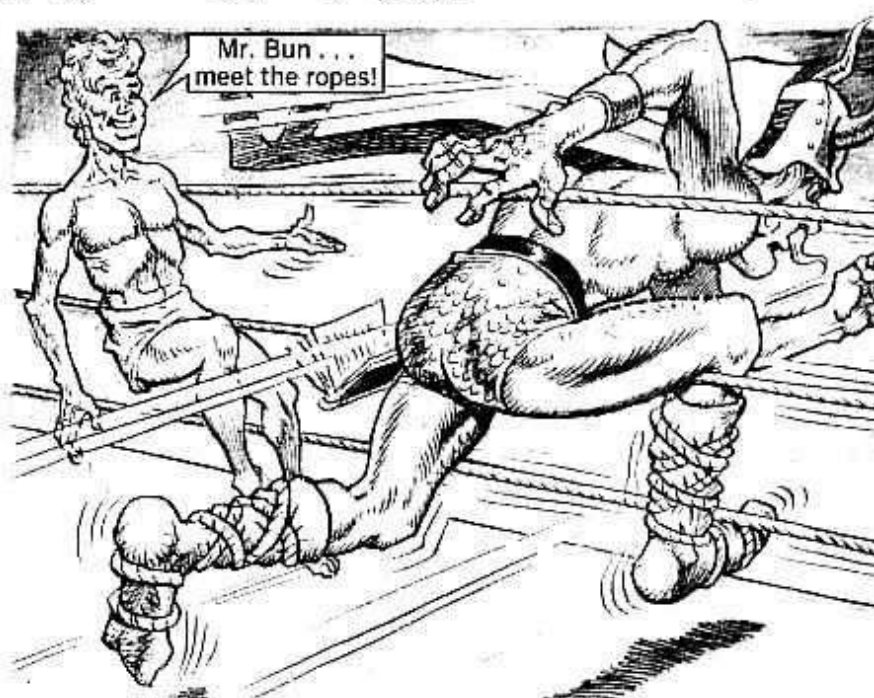

It looks difficult.

No — it all depends on how fast you can get the scissor out of your pocket.

How about a hip lock?
